

Let's do it together! Park Golf

Tosaki Park, ageo City

What is Park Golf?

It was started in 1983 in Makubetsu Town in Hokkaido, conceived as an exchange sport that can be enjoyed by three generations from children to the elderly.

Green tree Course, Azalea Course

Number, distance

Eighteen holes will be played by 3 to 4 players in one group. Start with one club from the starting point (tee ground) of each hole and compete for the minimum number of strokes to cup in.

Park golf is a very good sport for communication.

Why don't you enjoy the course full of greenery as an opportunity to exchange beyond age differences and generations?
